Good morning

Joe and Mima's restaurant, riverside dr in the shopping center across the street from Kmart (very authentic Italian run by an Italian family) can do vegan. Up on Piney Forest Rd is the Juice Moose, coffee shop and juice bar that serves stuff like bagels, muffins, soup of the day and various juicers with power punches like wheatgrass, etc.

Those are off the top of my head.....some of the grocery stores - walmart, Kroger, harris teeter stock various vegan items..

Hope this helps..

Greetings,

I know this is probably a stretch, but...

Thanks.
